

Draftperson (Tenancy)

BRISBANE

The Role

Based in our dynamic Brisbane Studio, we have a Draftperson role specialising in tenancy drawings, available which will see you work directly with our Project Leaders and Senior Architects on a range of exciting projects.

At Buchan, we endeavour to expose you to a variety of experiences to enable you to grow your professional knowledge and project experience.

This role will see you develop skills throughout all aspects and phases of Architectural documentation and delivery. Working under the direction of a Senior Draftperson, Project Leader or Senior Architect, you will be responsible for executing tasks set by others to support project teams and assist in delivering project outcomes. You will be expected to build and further develop a solid foundation of knowledge in documentation and delivery stages including design development, documentation, consultant coordination, delivery and onsite works.

In this role, you may at times work as a part of a larger team, but may also work in isolation. In order to apply, you must have the right to work in Australia.
