

The Role

Based in our dynamic Adelaide Studio, we are seeking a highly motivated and talented Project Leader to become an integral part of our senior management team.

At Buchan, we endeavor to expose our staff to a variety of experiences to enable them to grow their professional knowledge and project experience. The ideal candidate for this role will work with our team on large scale architectural and interior multi-residential design commissions, as well as undertaking stand-alone smaller projects. Demonstrated experience in contract administration and across all phases of the design process, from concept through to construction stage services is essential.

A strong set of design, communication, collaboration, and delegation skills are essential in your work alongside Project Principals managing the design team. You will be accountable for all aspects of the design and delivery of the project program requiring the ability to problem solve, budget, produce quality design, and foster staff and client engagement.

All applicants must have a minimum of 5 year experience in similar role and provide a portfolio of multiple projects in which they have undertaken a lead role.
