

Architect

CANBERRA

The Role

We're looking for an experienced 'all-rounder' to join our new Canberra Studio in a role that will see you work directly with project leaders on some exciting projects.

The ideal candidate for this role will possess design capabilities, an understanding of technical applications and will offer the team support in contract administration and across all phases of the design process, from concept through to construction stage services. You should be able to work effectively in isolation and as part of a larger team.

Working under the direction of a senior architect, you will utilize your design and technical skills to achieve project design and delivery in accordance with the Buchan's quality systems.

In return, you'll have the opportunity to develop your skills as part of a newly formed team on a range of projects.

About You

EXPERIENCE

- Master of Architecture/approved architectural degree
- 4-8+ years' experience with large or complex projects
- Previous experience working on commercial architecture projects in retail, hospitality, high-rise residential or mixed-use.

SKILLS/KNOWLEDGE

- Demonstrated design skill and creativity
- Skilled in Revit/BIM, CAD
- Understanding of the Adobe Creative Cloud
- Skilled in project documentation, production and coordination requirements
- Demonstrated presentation skills;
- Demonstrated project management skills.

PERSONAL ATTRIBUTES

- Flexibility
- Ability to work on individual tasks or as part of a team
- Contributes original ideas in problem solving and concept/design workshops
- Prioritises the most critical tasks
- A high level of initiative and self-motivation
- Originality and imagination in presenting ideas
- Ability to recognise and solve problems when faced with complex or multiple alternatives
- Able to communicate in a clear and understandable manner
